

## DisplayPort to VGA HD15 female Adapter

### Description:

Designed to enhance your viewing experience, this cable effortlessly connects your DisplayPort-equipped laptop or desktop to various devices, including HDTVs, monitors, projectors, flat panel displays, and digital CRT displays.

You can immerse yourself in stunning visuals with support for video resolutions up to 1080P (Full HD), ensuring every detail comes to life on your screen.

But it doesn't stop there. The DisplayPort 1.4 to VGA adapter cable also delivers flawless audio pass-through, providing uncompressed digital 7.1, 5.1, or 2-channel audio for a truly immersive audio experience.
