

DisplayPort to DVI Female Adapter Coupler

Item no. FS12202

Specification:

- Connector 1: DisplayPort 1.2 male
- Connector 2: DVI 24+1 female
- Gold plated contact, Gold plated shell
- Housing: ABS Shell
- Support a video resolution up to 1080P@60Hz
- Compliance: RoHS, REACH

Description:

Designed for diverse applications, be it a home theater or a desktop setting, this adapter seamlessly links DisplayPort-equipped devices (including DP, DP++, and DisplayPort++) like laptops and desktops to HDTVs, monitors, projectors, or any DVI-enabled equipment.

Offering both audio and video transmissions, it is ideal for immersive video streaming or engaging gaming sessions. Plus, expect only the clearest visuals, as it supports resolutions reaching 1080P (Full HD).

The DP to DVI converter's integrity is maintained through top-notch materials, with added immunity against EMI/RFI disturbances thanks to its fully shielded conductors.

Signal excellence is further assured with its 24K gold-plated connectors.
