

Mini DisplayPort to VGA HD15 Adapter Cable

Description:

Specifically designed to connect a DisplayPort-equipped device to an HDTV, monitor, projector, or any DVI-D 24+1 input device, this adapter cable brings your video streaming or gaming to life.

Capable of supporting video resolutions up to 1080P for full HD, it promises a vibrant and sharp visual treat.

Besides, being manufactured with top-quality materials, its fully-shielded conductors resist EMI/RFI interference, while the 24K gold-plated connectors enhance signal transmission.

Backed by a solid 2-year warranty from FARSINCE, the high-bandwidth, fully-functional mini DP to DVI adapter cable is a reliable choice for high-performance requirements. Thus, contact us today and invest in it.

Item no. FS12304
