

8K Angle DisplayPort to DisplayPort Female Adapter Coupler

Item no. FS12207

Description:

FARSINCE Angle DisplayPort Male to Female Adapter Coupler is a game-changer for anyone needing a reliable and high-quality connection in tight spaces.

With its robust gold-plated contacts and shell, it feels durable right out of the box.

The 90-degree angle design is perfect for snug fits behind desks or wall-mounted monitors, eliminating the need to bend cables awkwardly. It supports impressive resolutions, including 8K at 60Hz and 4K at 144Hz, ensuring crystal-clear and smooth video output.

With four directional options—left, right, up, and down—it adapts seamlessly to any setup.

Plus, the high-speed bandwidth of 32.4 Gbps and compliance with RoHS and REACH standards make it a top-notch choice for extending your DisplayPort reach without sacrificing performance.
